Subject: February Community Notes - 24

West Deptford Township School District

Dear West Deptford School Community,

February is quickly flying by and we are hoping to put the "snowy/icy" days behind us as we move forward into March. I trust that you had a wonderful Valentine's Day and the 100th day of school celebrations marked memorable milestones for all. It has been an exciting time visiting the schools and witnessing the celebrations honoring Black History Month throughout our district. These celebrations serve as a reminder of the rich contributions and achievements of Black Americans throughout our history. Special thanks to our entire school community for sharing great lessons and community events.

Facebook Updated - Several years ago, a generic user account was created with the name "West Deptford" in order to establish our Facebook presence. This account was established during the early days of Facebook, before the functionality to create specific

organizational pages existed. Subsequently, a West Deptford School District Page was also created. For a more streamlined experience and to stay updated on Districtwide events and information, we encourage you to like and follow the **official** West Deptford School District Page. The link to that page, along with links to our individual school pages, can be found below:

You can also follow our schools individually on their pages:

Thank you once again for your continued partnership and dedication to our school community.

Sincerely,

Dr. Brian C. Gismondi, Superintendent West Deptford School District
