8550 OUTSTANDING FOOD SERVICE CHARGES

The Board of Education understands a student may forget to bring breakfast or lunch, as applicable, or money to purchase breakfast or lunch to school on a school day. When this happens, the food service program will provide a student a breakfast or lunch with an expectation payment will be made the next school day or shortly thereafter. However, there may be circumstances when payment is not made and a student's school breakfast or lunch bill is in arrears. The school district will manage a student's breakfast or lunch bill that is in arrears in accordance with the provisions of N.J.S.A. 18A:33-21 and this Policy.

In the event a student's school lunch or breakfast bill is in arrears in excess of \$25.00, the student will be provided an alternate breakfast or lunch, as applicable, that will contain the essentials in balanced nutritional selections as prescribed by the Bureau of Child Nutrition Programs, New Jersey Department of Agriculture and the Food and Nutrition Services of the United States Department of Agriculture. The Principal or designee shall contact the student's parent to provide notice of the amount in arrears and shall provide the parent a period of five school days to pay the amount due.

If the student's parent does not make full payment to the Principal or designee by the end of the five school days, the Principal or designee shall schedule a meeting with the parent to review the matter and to determine a plan for payment. A parent's refusal to meet or take other steps to resolve the matter may be indicative of more serious issues in the family or household. In these situations, the Principal or designee shall consult with and seek necessary services from both the County Board of Social Services and the Department of Children and Families, Division of Child Protection and Permanency, as appropriate.

When a parent's routine failure to provide breakfast or lunch is reasonably suspected to be indicative of child abuse or neglect, the Principal or designee shall immediately report such suspicion to the Department of Children and Families, Division of Child Protection and Permanency as required in N.J.S.A. 9:6-8.10. Such reporting shall not be delayed to accommodate a parent's meeting with the Principal or designee.

If the student's breakfast or lunch bill is in arrears, but the student has the money to purchase breakfast or lunch, the student will be provided breakfast or lunch and the food service program will not use the student's money to repay previously unpaid charges if the student intended to use the money to purchase that day's meal.

The Board of Education understands that some students may suffer from food insecurity. Principals will make school counselors, the Homeless, Residency and Truancy Coordinator, and the Superintendent aware of students in need. The Superintendent will help parents find services and resources for students.
