**Subject:** Important information from the County Superintendent of School

Dear Colleagues in Education - First and foremost, I want to thank you for all that you have done for our students this past year. It has been the worst year in the history of education. And, as usual, all of you have risen to the challenges and gone beyond anything that we could have expected. We are hoping that there is light ahead and that we can continue to work together for our students to bring them some of the joy and fun that went along with the academics. Again, thank you for all that you do.

As you know, the county will be offering vaccines to all of you. If you have received a vaccine or do not wish to receive a vaccine, please ignore the rest of this email. However, the county is prepared to begin vaccinations on Monday. Therefore, if you want a vaccine, it is imperative that you fill out the form below and submit it as soon as possible. Once you fill it out, please check your emails for a response that will include your appointment time and date. Right now they are scheduling from 4:00 PM to 5:30 (at least 100 vaccinations each night) and on Saturday and Sundays. Make sure you check your spam/junk emails as well. When you go to the site at Rowan College of South Jersey, you will need your district ID, license and insurance cards.

We are so happy to be able to get this started. Thank you for your quick attention to this matter.

Respectfully,

Ave Altersitz  
County Superintendent of School
