February 18, 2021

Dear West Deptford Families,

With the forecast of significant ice overnight into early morning, we have made the decision that on Friday, February 19th, all schools in the district will continue all remote learning with all buildings and offices closed, and staff working remotely. As always, the safety of our students and staff is our priority.

All schools will follow their normal hybrid/virtual learning schedule.

Elementary Information

Synchronous (live) virtual and asynchronous instruction will be provided to students in all cohorts. Please check your child's Google classroom for scheduled times.

Middle School Information

The Middle School will run the normal hybrid bell schedule of instruction from 7:55am to 11:55am. **There will be office hours in the afternoon.** All sports and activities are cancelled unless afternoon situations clear up. If they do, we will reach out to sports families only to resume late afternoon activity.

High School Information

The High School will run the normal hybrid bell schedule of instruction from 7:15am to 11:16am. **There will be office hours in the afternoon.** All sports and activities are cancelled unless afternoon situations clear up. If they do, we will reach out to sports families only to resume late afternoon activity.

Young Eagles Program

The Young Eagles Program will be closed on Friday, February 19, 2021. Families will be credited for any time missed due to weather-related closure.

If you have any questions about your child's instruction please contact your child's teacher or principal.

Stay safe and stay warm.

Greg Cappello
Superintendent
